

## VIDA 2 Panel Bath Set

Pictured - Vida 1675mm 2 Panel Flat Wall Bath Set  
See SKU - **BSC1675SIFW2P**

Swing panel swings into bath, providing wide and easy access to bath and tapware.

### DESCRIPTION

The Vida Bath Set is designed as the complete answer to a shower over bath installation. The wall liner provides a large waterproof area of protection and the bath is solid and offers a large showering area.

The Vida Bath Set is a complete pack which includes the Bath, the Bath Screen, and a 2 Sided Wall Liner.

Also available as an ALCOVE set with a 3 Sided Wall Liner.

All of these items can be purchased as individual items also.

There is also an optional bath skirt which is installed around the bath - this is sold as an individual item and IS NOT supplied in the standard bath set package.

### FEATURES

- Bath surface is 100% solid acrylic
- 1000mm water protection 2 Panel Bath Screen
- One piece wall liner
- 15mm pressed upstand around perimeter of bath
- Generous showering / bathing area
- Bath stands on support rings
- Available in Silva and Black

### LEGEND

| Dimension | Description                                  | Bath Size |        |        |
|-----------|--|-----------|--------|--------|
|           |  | 1525mm    | 1675mm | 1800mm |

## WARRANTY INFORMATION

All bathroomware products supplied by Fibre Systems carry our Quality Assurance and Product Warranty. We use the highest quality materials available and manufacture these in accordance with New Zealand specifications and requirements to ensure that all products are fit for the intended purpose for which they are designed. Our customers peace of mind is of paramount importance to us.

### Warranty Periods

|                            |          |
|----------------------------|----------|
| Showers                    | 10 years |
| Drop In baths              | 10 years |
| Shower Screens and Doors   | 10 years |
| Black Coating on Framework | 5 years  |
| Freestanding Baths         | 5 years  |
| Dezine Range Showers       | 5 years  |
| Accessories                | 2 years  |

### Warranty Exclusions

The product must be installed according to the instructions supplied.

The water supply temperature applied to the product must not exceed 55 degrees Celsius.

Commercial applications (where products are installed in a building where occupancy is via a commercial arrangement i.e. rental property, hotel, hostel etc.) are restricted to a 2 year warranty on all products.

## CLEANING AND MAINTENANCE

Bathroom products are used often and the following is our suggestion on how to clean and care for them.

### Shower Wall

We use Durosan premium quality sanitaryware grade Acrylic. It is, by design, very robust and chemical resistant. A soft damp cloth with non-abrasive cleaners should be used. Use only non-abrasive cleaners that are recommended for acrylic products.

### Shower Tray and Bath

We manufacture our Shower Trays and Baths using a Solid Acrylic Surface. Most other shower trays are manufactured using a veneer acrylic surface. The great advantage is that small scratches can be removed easily by using fine cutting compound. Again, the same basic cleaning methods as the wall are recommended.

### Shower Doors and Glass

All glass is compliant to AS/NZS 2208. We suggest that the glass surfaces are wiped down or squeegeed following use to remove excess water. For best results use a trusted glass cleaner.

### Metal Framework

Should be cleaned using a soft damp cloth with non-abrasive cleaner. Note that on round showers, the bottom rollers are easy release for ease of cleaning. If chemical spray cleaners are used, avoid direct contact with the rollers and guides and ensure the shower is rinsed off to avoid residue build up.

### Weather Seals and Drip Strips

Can be removed if required for cleaning, and can be replaced when they no longer look their best. Refer to the spare parts and accessories section of our website for more details.

**Note - If the Glass has been treated follow specific cleaning instructions from the system provider.**
